

18th January 2021

Dear Parents,

As part of our reporting structure, you will find overleaf the Year 9 Report which I trust will be informative. For students in Year 9, the remaining reporting structure consists of a final Summer Report in June 2021.

There is also an opportunity to discuss progress with individual class teachers at the Year 9 Parents' Evening on Wednesday 20th and Thursday 21st January 2021.

For the report overleaf I hope you will find the following explanations helpful:

Current attainment provides an indication of the standard of work Charlie has achieved over the course of the first term in Year 9. This is based on a range of evidence including quality of classwork, homework and any internal assessments which have been completed.

Students have been awarded attitudinal levels in three areas (behaviour, attitude to learning and homework) based on detailed level descriptors (please refer to the student planner). Please note that the school sets a minimum benchmark of a level 2 for these three areas, hence the term "need for improvement" for level 3. In addition, please be aware that a level 1 in any of the areas is reserved for students who go above and beyond expectations.

Please contact Charlie's form tutor should you wish to discuss his progress in greater detail.

Yours sincerely,

A Sykes (Mr)

Assistant Headteacher : Raising Achievement

Headteacher: Mr A Parkinson B.Sc (Hons) M.Ed M.Sc
